

# EVAPORATED MILK

## 8% MF

Published 8/15/2025

### PRODUCT INFORMATION

Our 8% Milkfat Evaporated Milk complies with the Codex Standard for Evaporated Milks (CXS 281-1971). It is defined as the liquid food obtained by the partial removal of water from milk, containing not less than 8% milk fat and not less than 25% total milk solids by weight. The product is homogenized, hermetically sealed in containers, and commercially sterile, meeting the requirements of U.S. CFR Title 21 Part 113 for thermal processing. The product is fortified with vitamin D, which is optional under Codex but included to meet specific market or nutritional requirements.

Ingredients: Milk, Dipotassium Phosphate, Carrageenan, and Vitamin D<sub>3</sub>.

TYPICAL ANALYSIS	
Milk Fat (Minimum):	8.0%
Total Solids (Minimum):	25.0%
Vitamin D (per fluid oz.):	25 IU
pH:	6.2 - 6.5
Color:	Creamy with only slight browning
Body:	Smooth and uniform throughout
Flavor:	Sweet with a slightly cooked flavor

### SHELF LIFE & STORAGE

Product should be stored under clean, dry, normal warehouse conditions.

Optimum Shelf Life is 15 months. Protect from freezing and temperatures above 90 degrees F. Refrigerate unused portion after opening.

### ALLERGENS

Product contains milk.

Product does not contain added components of the following allergens: Cereals containing gluten, crustaceans, eggs, fish, peanuts, sesame, soybeans, or nuts.

Product is Gluten Free.

### SDS

Food and food ingredients are exempt from the labeling requirements of the OSHA Hazard Communication Standard since they are subject to FDA labeling requirements.

*The nutritional composition of the product will vary with each production lot. Typical nutritional data has been determined through composite lab testing and use of accepted nutritional database systems. This information is provided to you to aid in your development work but should not be used solely to determine your nutrient labeling. You may need to analyze those nutrients as they occur in your final product as required by CFR title 21, Section 101.9.*
